# Kendal's Korner **Desperation or Revelation?**

The following is a **Guest Editorial** for this issue. It is written by **Brother Noel Naff**. Brother Noel is the Chairperson of the Virginia District Board, and the pastor of the Mount Hermon Church of the Brethren, in Bassett, VA. KWE

=====

## Will America Return to GOD through Desperation or through Revelation?

When we say **"Jesus is Lord,"** what do we really mean?

In Scripture, the day of the Lord is a time of judgment. It's a time when God's patience runs out. It's a day of reckoning. In today's time, it's like we don't believe this about our GOD. I feel that the

church as a whole is very far east of Eden. We are lukewarm, yet most believe we are good to go. What is it going to take for America to get serious about GOD?

Scriptures tell us: When the day of the Lord draws near, we are to cry out and rend out hearts, which is a deep repentance. This

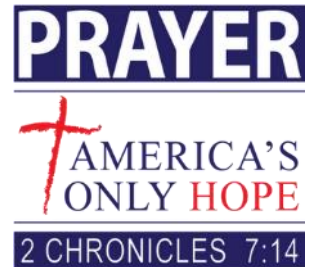

is also the mark of GOD's people in the book of Revelation.

"God's people who are called in God's name, if they will pray and humble themselves and seek His face and turn from our wicked ways, then He'll hear our prayer, He'll forgive our sin and bless us. We can say God bless America until we are blue in the face, but I think the blessing on America is directly related to God's people getting their act together. **The question is, will we wake up? Have a great revival? Or will God have to break our back and through desperation and suffering, we call out the name of the Lord?**

I don't think the answer is in politics or in our military. Only God can solve the problems we face today. And the world is not going to turn to God. It's up to God's people to stand in the gap.

It begins with YOU.

Noel Naff

Recently each pastor in our district was sent a letter from Andrew Murray, the Moderator for the Annual Conference which will be held in Greensboro, NC – June 29 – July 3, 2016. The purpose of the letter is simply to keep Annual Conference in the thoughts of pastors and congregations. Also he is requesting that we take **May 15, Pentecost Sunday**, as a special **day of prayer and fasting** for this gathering in Greensboro. Brother Andy is requesting that we pray for the following:

- **Pray** that we might be open to, and guided by, the Spirit in our worship, our study and our deliberations.
- **Pray** that we will be given the grace to treat each other as brothers and sisters in Christ in the best tradition of the Church of the Brethren.
- **Pray** for safe travels for those that gave of their time and talent by serving the church at Annual Conference.
- **Pray** that each persons that gathers in Greensboro, in the name of the church, will experience a renewed anointing of the Spirit that will give energy and courage in abundance for moving Christ's Church into a confident future.

*Please share these prayer concerns with your congregation and remember that Brother Andy is planning to be with us on May 22, 2016 at the Keyser Church beginning at 2:30 PM.*

Kendal ☺

# Come, Meet Andy!

We have arranged an opportunity for everyone in the District, especially those serving as Delegates to the 2016 Annual Conference in Greensboro, North Carolina this summer, to **MEET THE MODERATOR.**

We are planning to gather at the Keyser Church of the Brethren at 2:30 PM, Sunday, May 22.

Many of you will recall that among the items being considered this year may include the two queries that were sent to Standing Committee from our District Conference last September.

- **New Business**

**Item 1: Query:** *Same Sex Weddings.* The question being asked of the conference is, **“How shall districts respond when credentialed ministers and/or congregations conduct or participate in same sex weddings?”**

- **New Business Item 2: Query:** *On Earth Peace Reportability/Accountability to Annual Conference.* The conference is being asked, **“to consider if it is the will of Annual Conference for On Earth Peace to remain an agency of the Church of the Brethren with reportability and accountability to Annual Conference.”**

Standing Committee Delegates, John Moyers, Grover Duling, and I plan to be present, as well to share some aspects of the conference. A brief video will be shared with an overview of conference.

It should be noted, that Annual Conference is SO MUCH MORE than “business” decisions. There is

**2016 Annual Conference Moderator, Andy Murray**

absolutely WONDERFUL WORSHIP, as hundreds of voices blend in harmony singing familiar old hymns as well as the refreshing choruses and songs of today. Anointed preaching in several worship services. This year’s preachers are,

(Top from left) Andy Murray, Kurt Borgmann, Dennis Webb, (bottom from left) Dawn Ottoni-Wilhelm, Eric Brubaker.

Spontaneous fellowship occurs among folks who may have met for the first time, or those who’ve known one another since childhood. Meals are shared and ice cream is always somewhere nearby! Luncheons with programs, insight sessions and there are exhibits that interpret a myriad of ministries and opportunities for all to learn and have opportunities to serve in what are perhaps, new ways.

Come to Keyser, May 22, at 2:30 PM and Meet Andy and find out more.

## **ARE YOUR ANNUAL CONFERENCE DELEGATES REGISTERED?**

Advance registration for Annual Conference (June 29 through July 3 in Greensboro, NC) closes on June 6. Registering your delegates early makes financial sense; if they wait and register on-site, each one will pay \$75 more! So, go to [www.brethren.org/ac](http://www.brethren.org/ac) and take advantage of the lower cost. Non-delegates also pay lower rates by registering before June 6.

To date, only 22 delegates are registered from the West Marva District, representing fewer than half of our congregations.

## **HELP NEEDED AT ANNUAL CONFERENCE**

We are in need of volunteers to serve as Floor Tellers during the business sessions of Annual Conference. Delegates and Non-delegates alike can volunteer for this position. The Tellers see that all printed information is provided to the delegates so that they can fulfill their responsibility. Any standing vote count is also handled by the Tellers. If you are willing to serve, or know of someone who is, please contact Mark Liller (Head Teller) at [mwliller@gmail.com](mailto:mwliller@gmail.com) or 814-695-3979.

## **ARE YOU A DOCTOR, NURSE PRACTITIONER, RN, LPN, OR EMT?**

The First Aid Office at Annual Conference in Greensboro is looking for DR.'s, RN's, LPN's and EMT's who would be willing to volunteer a few hours during Annual Conference this summer. Jane Laprade is coordinating the First Aid Office at Annual Conference and would be glad to hear from willing volunteers! Please contact her at: [d.laprade@b2xonline.com](mailto:d.laprade@b2xonline.com)

## **Quilters: Have You Sent An Annual Conference Block?**

May 15 is the deadline to postmark your quilt block for the Annual Conference quilting sessions and auction. Congregations are encouraged to submit a square to be included. Here is a link to the [invitation with instructions](#).

## **ORDINATION SERVICE SCHEDULED**

Chris Leatherman, pastor of the Capon Chapel Church, will be ordained on June 12th during the morning worship service. Please keep Chris, his wife Robin, their family and the congregation in your prayers.

**MORGANTOWN CHURCH CALLS PASTOR:** We are happy to announce that our church has called Wesley Bergen to be our new pastor. He and his wife Deb have moved to Morgantown and will begin their service May 1, 2016. The past two years have been spent in Africa where Wes was teaching at Good News Theological College and Seminary near Accra, Ghana, and Deb worked with Mobile Member Care Team. Wes is an ordained minister with the Mennonite Church.

in Recreation Hall.*

*Program begins promptly at 9:30 am*

The committee members are: Randy Shoemaker, pastor of the Sunnyside COB, Fred and Margie Roy, members of the Sunnyside Church and Grover Duling, a member of the Oak Dale Church and our District Board Chair.*

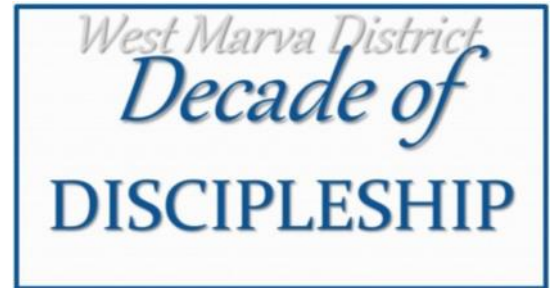

*Enjoy an outstanding lunch (ham, scalloped potatoes, green beans, tossed salad, rolls, drinks and dessert) and a wonderful opportunity to fellowship.*

Samaritan's Purse*

**REMEMBER TO CALL the District Office at 301-334-9270 to register by May 27th.**

*Pre-registering helps the Camp Staff to adequately plan for meals- but walk-ins are welcome.*

As we continue on the journey of the *Decade of DISCIPLESHIP*, I invite you to consider a “bit” from our brother in the Shenandoah District, Church of the Brethren.

*Have we as a church, lost the urgency to see people come to faith in Christ? Over the ages, the urgency of the gospel has led men and women to all corners of the earth, often at a great cost to their own lives. Today, it's so easy to become preoccupied with so many interests that we lose sight of God's main interest - His desire that none should perish.*

**"FOR THE SON OF MAN CAME TO SEEK AND TO SAVE THE LOST"** Luke 19:10

**AND HE SAID TO THEM, "GO INTO ALL THE WORLD AND PROCLAIM THE GOSPEL TO THE WHOLE CREATION."** Mark 16:15

*Pray that a passion to see people come to Christ be rekindled in our lives and the life of the church.*

**Dave Chappell**, Pastor, White Hill Church of the Brethren, Stuarts Draft, VA.

## 2016 (2) BRETHREN BITS from Betty's Desk . . . We Brethren love to Eat . . .

Recently the MEMO had what became part one about the Love Feasts, and originally was to have compared our Brethren tradition of enjoying food and fellowship together. In the recent article there was so much enlightening information about the practices and size of our ancestors celebrating Love Feast that I have chosen to focus on some of the "feasting" and congregational meals across our district.

The question keeps coming to mind—since we Brethren celebrate Love Feasts with our Communion—is there a correlation to cooking the beef and or mutton since the earliest years, and the fact churches had a kitchen long before there were restroom facilities in our church houses. The original Beaver Run church kitchen was not in the basement, rather it was a small room built on the west side of the church with a brick fireplace. Obviously the Brethren needed a place to cook the Love Feast meat and prepare the meal.

If our meeting houses had kitchens and people loved to take meals together, is it any wonder we have so many carry-in or covered dish dinners? In modern days, it is almost as though we do not even need an excuse—for there are Birthday Dinners, Easter Sunrise services and breakfasts, Thanksgiving and Christmas Dinners... and the list goes on and on. Included in the following paragraphs are some for us to consider.

Traditions in the churches vary but almost everyone has "dinners." Not everyone had fundraisers; yet, most all of our members and friends love the "fellowship or carry-in meals." Generally, today our fundraisers are by free-will offerings. As you will note, some of our congregations are very active with "meals" almost every month whereas others concentrate on three or four "eating events" each year.

What about Thanksgiving dinners, do you have a Christmas dinner at your church? The following are merely a "sampling of some of our church friends meals together."

**Pine Grove:** "Pickin and Grinnin Evening" brings crowds together to enjoy music and fine foods as they raise money for their college scholarship fund. Bringing together those who enjoy food but also live musicians certainly is one of the best traditions they continue. The ladies also have an afternoon tea celebration—there's a speaker, lovely theme decorations and delicious delicacies which the ladies bring to share with each other.

**Keyser:** Since 1950, there has been a special recognition of ladies at the Keyser Church when a "Star Mother" is chosen annually at Mother's Day. In earlier years, these were covered dish meals, sometime later, the men began cooking and preparing these dinners to go with the program featuring the lady chosen to be the "Star Mother." Thanksgiving dinners, birthday dinners and Easter breakfasts have been held over the years. In recent years, the church has begun an outreach project. A sign indicating the day and time is posted on a busy Keyser street inviting people to come for a "free meal." A few weeks ago 114 came in "off the street" to enjoy four varieties of homemade soups, cornbread and desserts.

**Bean Settlement:** One of few churches known to have a Memorial Day fellowship meal, maybe due to the fact there is a cemetery near their church. In past years many of our churches had a cemetery nearby—yet today this has become a rarity. The folks at Bean Settlement regularly celebrate Homecoming, Thanksgiving and Christmas with meals together.

**Oak Dale:** ladies have one of the most impressive candlelight Advent services anyone can imagine. A couple years ago it was featured in a *MEMO* article. Decorations are seasonal, there are no overhead lightning fixtures used—rather candles or small garlands of white lights. The ladies invite guests to sit at their beautifully decorated tables where fine china and crystal sparkle in the midst of coordinated Christmas lovelies. A guest speaker and fitting special music are a part of the program with the local ladies adding thought provoking Advent information. An assortment of finger-foods, each more tempting than the other round out this lovely Advent "experience." It is a time to force yourself to slow down and ponder about the Advent season in a most unique atmosphere.

**Kelley Chapel:** Some years ago Kelley Chapel began inviting veterans from their area for a free meal. This has grown into a very popular Veterans Day dinner and program in the general area of Burlington. No longer limited to the men of their congregation, they now include men and women from miles around who have served their country in military service over the years. Often there are fellows from World War II in attendance. As many as 100 to 150 service men and women have attended these dinners from the community as they continue to grow in popularity.

**White Pine:** 4<sup>th</sup> Sunday meals started some years ago and continue. Although some of our congregations are not large, they are very active. This is a time for the members to get together with many, many dishes of good, home cooked food and to fellowship. There are almost more dishes of food than there are people around the tables. Recently White Pine and Tear Coat joined together to do a community meal for an ill person; over \$4,000.00 was raised from the spaghetti meal. There are so many opportunities for us to reach out in our communities.

**Brick:** A Sweetheart Banquet is held annually here. It's interesting, one year the men prepare the meal for the ladies—the following year ladies are in charge of feeding their husbands and sweethearts. Easter sunrise services are followed with an Easter breakfast. During the month of June a Sunday School Picnic is held at Turner Park in “downtown” Maysville. For **Pastor Appreciation Sunday**, the congregation gives the pastor his choice for the menu! That might be a suggestion other churches could use. On the Sundays before Thanksgiving and Christmas the folks gather for church fellowship meals together.

**Maple Spring:** During 2016 the following carry-in meals or banquets are scheduled: January: “Soup & Salad”, February: Sweetheart Banquet, March: “**Outstanding** Birthday Party” celebrated for persons who turn 90 years, April: Sunday Brunch, May: Mother & Daughter Banquet, June: Father & Son Banquet, July: “Old Fashioned 4<sup>th</sup> of July Picnic”—complete with fireworks after the picnic and even ice cream at the end, but there is another traditional fellowship event in July. Those from Maple Spring who wish to go, may spend an entire weekend at Camp Galilee. August: an outdoor church picnic, sometimes at nearby Brookside Park, September: Annual Birthday Party for “Everyone” (with twelve tables, as many of our churches celebrate), October: a carry-in Harvest Dinner using a pumpkin theme, November: Holiday Thanksgiving meal and for the month of December, there is an outreach project—preparing Sunshine Baskets for the shut-ins and elderly in the community.

**Shiloh:** Chili cook-off, generally done by men of the congregation has been a very popular activity. Each person in the church who reaches their 80<sup>th</sup> birthday is “celebrated” with a special meal. In fact there are regular covered dish meals, about once a month, or more often throughout the year. Grandparents are also recognized at a special meal.

**Westernport:** Years ago the congregation went to Deep Creek Lake State Park for church picnics using one of the pavilions, and having ball games with activities for the children. Often adult Sunday School classes would be invited to some of the member's summer homes along the Lake too, for food and fellowship gatherings. July 26, 1954, thirty-seven years after the church was founded, the first “Homecoming” was held. In recent years, there have been mother and father's day “tea and cookies” on Sunday mornings—this year a “Mom and Dad Luncheon” is scheduled. In reaching out to others, one of the projects supported by Westernport is taking a warm meal and desserts to the Union Rescue Center in downtown Cumberland on a quarterly basis. They have learned it is a blessing to share a warm meal—and not just have dinners for their own church group.

## HAITI MISSION TRIP 2016 UPDATE

It was a cold and blustery morning in late February when 19 missionaries set out for the extreme heat of Haiti, a third-world country.

Their mission was twofold: to put a roof on a 52 X 102 foot Church and to conduct medical clinics. Both goals were reached during the course of the two weeks.

By 10:00 A. M. each morning at Goneive, the temperature would reach 120 degrees.

Eleven of the 19 conducted clinics and saw close to three thousand people in nine different clinics. Several Haitians were sent to hospitals for additional treatments while most received medicines, ointments, glasses, and similar items as well as money for food. This group of eleven was located in the mountain region of Pernal and in the city of Port au Prince.

The other eight, under the direction of Pastor David Sutton of the Old Furnace Church of the Brethren in Ridgeley, WV, went to Goneive where they constructed the roof on the Church. They actually completed their task four days early! This group also purchased

doors and windows for the Church and bought 110 Bibles written in Creole, the language of the Haitians, for distribution.

Six of the 19 that went are members of the West Marva District. Others that went came from as far away as Everett PA..

As you can see, God brings people together to accomplish His work. The team is very grateful to God and all those who supported this effort in any way.

1 Chronicles 16:24 tells us to “Declare his glory among the heathen; his marvelous works among all nations.” Even though many cannot go to a faraway land, there are many areas of mission work right all around us and we can be a witness for Jesus Christ.

Thanks to all!  
Pastor David Sutton
